We are growing and expanding our services. We are excited to introduce Alto Health Care Staffing, a division of Cirrus Consulting, Inc! We are growing and now have offices in Dayton, Cincinnati/Blue Ash and Columbus at Easton! Living by our mission statement and values, our team of health care professionals and staffing industry experts are committed to conduct all of our business practices with honesty and integrity. Many of our Career Advocates are also medical professionals who understand patient care better than our competitors, we don't just staff health care facilities; we are health care professionals as well.

We have expanded our scope of services. Our Career Advocates are dedicated to specific professionals within healthcare so you always have the opportunity to work with someone that understands your specialties and focus. Our expanded services include nationwide travel contracts, local contracts, local per diem staffing, and human resource services.

Please visit our new website to see our new benefits, new opportunities and join our Talent Network if you have not already. You have always been a patient advocate, and now Alto can be your advocate! Contact us today!
