Health care professionals, as well as their patients, need an **ADVOCATE** too.

EMPLOYEE OF THE MONTH

Latosha Milligan,

“We appreciate your positive attitude and willingness to help.”

Reflecting on 2015, Message from Founder

As the New Year begins, many of us will look back and evaluate the past year. As I reflect, I just simply want to say, Thank you. There is never a day that goes by that I am not grateful for our employees, clients, colleagues', mentors and more. I know from the pit of my stomach and the bottom of my heart that it if wasn't for you, we would not even be here. So, from everything we are, on behalf of my internal team, and most importantly to our staff in the field (in the doctors' offices, hospital floors, operating rooms, insurance company offices, in patients homes, labs, imaging and rehab departments, and many more) THANK YOU, THANK YOU, THANK YOU!!

This past year was phenomenal. I have told my team this year is our “Sweet 16!” Sixteen years ago marks the moment I started my career in the staffing business. Sixteen years ago my life changed, making this year that much SWEETER for our company!

Our company made significant strides, growing 24% in the past three months! This increase all took place during a major rebrand to Alto Health Care Staffing. The name has changed but our principles are still the same.

The decision to rebrand came from the confusion arising from a competing health care travel company that shared our same first name! Of all things, I tried to beat it but I could not. The most impactful and lasting way to separate ourselves, was to change our name. Why Alto? An alto cloud is closer to the ground, similar to our mission with our employees. We want to work closer to you, because we care about your growth and happiness.

This is why we expanded our great benefits, to back our words with action. Our full time employees can elect from two different health insurance plans; one is a major medical plan from United Health Care with low co-pays and a low \$40 weekly premium for a single plan, or chose a skinny med plan for less than that! We also offer Part time employees a plan as well, either way you're covered. Other notable accomplishments include our successful certification program through the NHA offered to Medical Assistants, our weekly pay, direct deposit and debit Visa Cards. This year we also rolled out our Rewards Program where you can earn points for every hour worked and reward yourself from our online catalog. With all the changes being made, we still found time to enhance our online Employee Portal to provide useful information, such as available discounts, Gym membership reimbursement, our rewards portal and more.

To top it all off, we expanded our operations in Blue Ash, opening a brand new office and serving the wonderful community of Cincinnati. We are operating in Columbus and Chicago and have initiated plans to expand our current space in Dayton. We're growing is the least you can say!

Our plan for 2016, is for the year to be SWEET for everyone that we know! As we determine new ways of appreciation for those who support us, we appreciate your patience and encourage you to reach out with suggestions and new ideas. We would love the feedback! We want to be the best staffing firm you can partner with. I hope all of you have a successful and prosperous new year and that God blesses you far beyond your imagination!

Remember, my door is always open (when I am in) ☺
