Spooktacular Expansion in Dayton

Fall is upon us and the chills running down our spine have more to do with our recent expansion than the spooky days ahead. Alto is excited to announce the opening of our new lobby, on-boarding department and testing center. Guests can be seated comfortably in our spacious lobby complete with beautiful hard-wood floors and a News Bulletin to keep up with Alto.

Candidates will now have the ability to focus in a designated testing center to complete necessary on-boarding paperwork and tests without disruption. Our on-boarding department will allow candidates to complete the process with the privacy and confidentiality Alto has always been proud to provide.

Come see us soon!

Screaming Pretzels

- Mini Twist Pretzels
- Dark Chocolate Candy Melts
- Candy Eyeballs

1. Melt the chocolate candy melts according to the directions on the package, adding a small amount of vegetable oil to the mixture for easy dipping.

2. Dip the pretzels into the candy melts, coating both sides. Place the pretzel on waxed paper making sure the bottom section of the pretzel is not filled with chocolate.

3. Insert melted chocolate into the top two sections of the pretzel. Place a candy eyeball into the top two sections. Allow to set until firm

Medical Assistants Week

Medical Assistants are the first touch in the patient's experience, usually greeting guests, collecting vitals and reviewing the patient's reason for an appointment. In doing so, they are the patient's advocate.

For this reason and many more, Medical Assistants are vital to the healthcare community and their impact is significant, making the lives of Physicians' and patients' better every day!!

Stay tuned for special gifts from Alto for our all our MAs, CMAs and RMAs during MA Week October 17th until the 23rd!
