## MAY 2017 NEWSLETTER HAPPY NATIONAL NURSES WEEK!

Nurses week this year is May 6-12<sup>th</sup>. Our family at Alto Health Care Staffing wants to say to Nurses everywhere; **THANK YOU**. We want to thank you for choosing to be a nurse, for the long hours, the missed lunch breaks, breaking your back, the stressful nights, the tears you shed for your patients and the compassionate care you provide to our fellow man and our loved ones. You touch the lives of so many people at some of the hardest times in their life, you worked so hard at school, you work long hours on the job, and give so much more than an average person. It takes a remarkable person to be a nurse, to get up every day and go to work to serve and save lives. You deserve to be nationally recognized. We truly admire our nurses and nurses everywhere. We appreciate all that you do every single day, you are the heart of health care.
