HAPPY NATIONAL NURSES WEEK!

Nurses' week is May 6-12th, always ending on Florence Nightingale's birthday, the founder of modern nursing. Our family at Alto HealthCare Staffing wants to say to Nurses everywhere;

We want to thank you for choosing to be a nurse. For the long hours, the missed lunch breaks, the empty stomachs and the full bladders. For your tired feet, your aching back and your dry, chapped hands. The stressful nights with eyes that have seen it all and the tears you shed for your patients. Last, but certainly not in the least, the compassionate care you provide to our fellow man and our loved ones.

It takes a remarkable person to be a nurse; to get up every day and go to work to serve and save lives. No other profession offers the opportunity to make such a profound difference on the lives of people who truly need and appreciate it. You deserve to be nationally recognized. We truly admire our nurses and nurses everywhere. We appreciate all that you do every single day; you are the heart of health care.
