June 2018 NEWSLETTER

**Wear
Blue**

Wear Blue for your father,
husband, son, co-worker...

Did you know that June is Men's Health Month?!

The purpose of Men's Health Month is to heighten the awareness of preventable health problems and encourage early detection and treatment of disease among men and boys.

This month gives health care providers, public policy makers, the media, and individuals an opportunity to encourage men and boys to seek regular medical advice and early treatment for disease and injury.

It means raising awareness of making healthy lifestyle choices, making regular annual visits to the doctor, getting educated on heart disease or diabetes, starting general health conversations with their male friends, and much more.

**Wear Blue Day is celebrated every
year on the Friday of Men's Health
Week. This year it is June 15th.**

**Whether it is your friend, brother,
dad, boyfriend, spouse, or boss;
show them you care about them
and their health by wearing blue.**
