

Getting a Kittrell Card

To take advantage of Alto's Priority Pay program, you need a Kittrell card.

1. Email payroll@altostaffing.com or visit the office to pick up an application.
2. Fill out the bottom portion of the application then return it to payroll. You can mail, fax, or email a picture to us.
3. Once you receive your card, confirm your routing and account number on your Alto Direct Deposit form on Workforce Portal.

** We must have both the Kittrell card application and the Direct Deposit form before funds can be added to your card. Replacement cards cost \$10.
